A Shareholder desiring to appoint some other person to represent him, her or it at the Meeting must insert the name of his/her/its nominee(s) in the space provided on the reverse hereof and deposit this completed form of proxy in the manner set out below.**
2. The Shares represented by this proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder, including on any ballot that may be called for. If the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly; however, **if the Shareholder does not specify a choice with respect to any matter, the persons named in this form of proxy will vote the Shares represented by this proxy FOR the matters proposed by management at the Meeting.**
3. **This form of proxy confers discretionary authority upon the persons named herein with respect to amendments or variations to matters identified in the Notice, or other matters that may properly come before the Meeting or any adjournment(s) thereof, to the fullest extent permitted by law, whether or not such amendment, variation or other matter is routine or contested. If the Shares represented by this proxy are registered in the name of a deceased or other holder, the proxy must be signed by the legal representative with his or her name printed below his or her signature, and evidence of authority to sign on behalf of the deceased or other holder must be attached to this proxy. Where Shares are jointly owned, each owner must sign.
5. **Some holders may own securities as both a registered and a beneficial holder; in which case you may receive more than one form of proxy and will need to vote separately as a registered and beneficial holder. Beneficial holders may be forwarded either a form of proxy already signed by the intermediary or, more typically, a voting instruction form to allow them to direct the voting of securities they beneficially own. Beneficial holders should follow instructions for voting conveyed to them by their intermediaries. If a security is held by two or more individuals, any one of them present or represented by proxy at the Meeting may, in the absence of the other or others, vote at the Meeting. However, if one or more of them are present or represented by proxy, they must vote together the number of securities indicated on the proxy.**
